Calling all artists!

We need your input regarding the program of art classes to be offered at the new Arts Center. If there are classes you would be interested in taking, or if you would be available to teach classes, please fill out the following survey, so we can get the Center's art program schedule rolling:

A. If you would like to take classes at the Arts Center, please answer these questions:

1. In what media would you like to take classes? (List any you find interesting, (examples: Visual arts, performance art, dance, music, writing, crafts, theatre, photography, etc.) and the level you would need: beginning, intermediate, advanced):

2. How often would you like to have your classes? (Weekly, monthly, intermittent workshops). And when (days, nights, weekends)?

3. Who would you like to have teaching your classes? (Local "professional", outside "professional"). (Please include name and contact info if you have someone specific you would like to see as an instructor).

4. How much would you be willing to pay for your classes? (Give a range for both ongoing classes and intermittent workshops).

If you would like to be contacted when classes begin, please include your name and phone number/e-mail address:
